FAST HORSES SENT AWAY

Dr. Frazzee and Alpha W to Race in the East This Season.

The utter absence of any horse racing for Salt Lake this summer has cast a gloom over horsemen that makes the future for the sport look very poor in this state. One by one the horsemen have been shipping their horses away and seling them until now there are scarcely any left.

J. T. Richards, owner of three of the best horses in the west, is the latest local horseman to ship his stable away from home. Yesterday Dr. Frazzee, Alpha W and Sunbeam, owned by him, were shipped to Cedar Rapids, Ia... in charge of Charley DeRyder, where they will be raced at the meeting at that place. It is believed by a number of the local horsemen that Richards will shortly dispose of his stable. Frazzee and Alpha W both hold state records in the trotting and pacing line and are considered two of the fastest horses that ever stepped on a local track.

HERRERA-NELSON TONIGHT.

Los Angeles, May 24.—"Battling" Nelson, the lightweight champion, and Aurelio Herrera, who will meet in a twenty-round contest tomorrow evening for a purse of \$20,000, have finished their training and will work only enough to keep at the required weight until weighing-in time tomorrow evening. The conditions of the match call for 131 pounds at 6.

There is much interest in the fight, and the advance sale is very large, exceeding \$20,000. There is heavy betting on the fight, Nelson running favorite at 10 to 7, but with much here are scarcely any left.

In the last inning the score stood 11 to 4 in favor of the Oquirrhs, and the Lafayettes claim they then got in and batted out a victory.

My scientific, systematic course of treatment for weak, nervous, brokendown youths and men who have, through folly, dissipation and excesses, unfitted themselves for work and the enjoyment of life is a system that has been tested many times over and proven entirely satisfactory in every case. It is totally different from the many sickening pills and tablets, and the stimulating, stomach-ruining drugs given by would-be specialists.
